About our Ronald McDonald House

Mission: Our Ronald McDonald House in Rochester, Minnesota provides a home away from home and offers support to families seeking medical care for their children.

The House is a place where a kid can be a kid, where there is laughter around a campfire after a tough day at the hospital and sometimes a tear or two shed. It's a place that is possible because supporters like you rally behind families facing tough medical diagnoses and make it possible to erase the worry for parents about where they will stay close to the care their kids need. The 70-room facility is the largest Ronald McDonald House in the state of Minnesota, the 14th largest in the United States, and the 18th largest in the world.

About Community Fundraisers

A community fundraiser is an event or promotion initiated and lead by you, our community of RMHC supporters. Community fundraiser organizers agree to take on the planning, promotion and execution of an event where the purpose is to raise funds to benefit RMHC Midwest MN, WI, IA. Community fundraisers are different than our signature events which are driven by our staff team.
